

# Supercharge Your Workflow with the J35™ Pro!

## 6 Reasons to Purchase the J35™ Pro

### Serve multiple apps + customers

Up to 10 base materials, 100's of digital materials, hi-res advanced materials, and multiple print modes.

### Reduce Total Cost of Ownership

20-70% faster average throughput, boost ROI, and serve your team/customers better.

### Print large parts

1.5-2.0 x increased tray area for large models & more parts per tray with low maintenance.

### Advanced controls + capabilities

Unlock GrabCAD Print + Voxel Print, and the ability to jet 3 unique materials simultaneously.

### Office-friendly

Quiet and odorless PolyJet printer with advanced air-filtration for simple desktop installation.

### Free up time for your team

Eliminate the manual process of support removal, allowing your team to focus on more important tasks.
